TIPPY TAP
wash your hands
with soap

1. Make a hole in the 5l container.
2. Thread the string through a hole in the lid and tie a knot.
3. Hang the bottle on the bar through the handle.
4. Keep the bottle full.
5. Hang the bottle on a rope.
6. Use fence posts too.
7. Keep the pedal away from the splash.
8. Use a peddle stick tied to the bottle lid.
9. Gravel to break the splash.
