ENJOY!

Any dog can bite

Help Billy decide if he should pat the dogs.

Tick yes or no in the boxes.

Most dogs are happy to see us and come for cuddles. Sometimes, just like us, dogs are busy, in a bad mood or not feeling well and don't want anyone to come close to them.

Dogs will **warn you** to go away by **barking**, **growling**, or **snapping**. They may have a tense body, a stiff wagging tail and pulled back ears. **Listen** to what they are saying so you don't get bitten!
