

# The Money Burrow

*Stick coins along  
the burrow to  
show you care.*

You can help the SPCA team rescue and rehome animals by filling the rabbit burrow with coins. This will help to pay for food, medicine and sterilisation.

When you have completed your money burrow, ask an adult to bring you to the SPCA and hand it to Lucille, Junior or Bongani. We will post your picture on our Facebook page.

**Any questions?**
